

The President recently met with the President of Kenya who assured him that the charter for our organization in that country would be duly considered despite severe restrictions on religious organizations in that country. Just prior to our corporate filing, restrictions on the incorporation of religious organizations went into effect due to prior abuses. Once our organization is complete, we will begin steps to construct a station in Nairobi, Kenya.

We are awaiting a permit for Zaire in Africa and have been asked to construct a station in Tonga by the President of that country.

We continue to produce an Indonesian praise program that is telecast regularly.

A summary of our current low power stations is attached hereto.

The board then considered the minutes of the January 14, 1985 Annual Meeting and approved same by unanimous consent.

The board discussed the 1984 audited financial statements. Upon motion duly made, seconded and passed the 1984 audited financial statements were approved.

The board then considered an unaudited financial report for 1985. The approximate gross income for all Trinity Broadcasting sources and affiliates in 1985 amounted \$33,000,000 and expenses totaled approximately \$8,000,000. Approximate income totals for all corporations in 1985 are as follows:

1.	TBN	-	\$16,761,000
2.	TBA	-	3,318,000
3.	TBO	-	2,390,000
4.	TBF	-	2,960,000
5.	TBI	-	2,126,000
6.	TBNY	-	1,135,000
7.	TBW	-	2,161,000
8.	TBD	-	1,537,000
9.	CET	-	98,402
10.	NCCC	-	156,000

The President reported that Aquila Wilkins, a friend of the ministry with a prophetic gift, had warned him that Satan is planning to attack the ministry on a financial level. TBN was encouraged to "consolidate" and "reign in". The attack will not be a success and will be of short duration. In keeping with this warning, the President asked that all station managers carefully consider all expenditures.

The board then considered an election of officers and directors. The following officers and directors were then elected and confirmed for new terms:

The boards then considered the approval of manse allowance for the employees listed on the appropriate exhibit hereto. The percentage of salary for each individual to be devoted to the parsonage allowance is set forth after each person's name.

Those present discussed the need to emphasize that each employee is responsible for conduct consistent with ordination and for any liability that may arise if the person's ordination or qualification for a parsonage allowance is contested.

The boards then received a report from Rev. Sonny Arguinzoni, President of All American T.V. Rev. Arguinzoni reported that All American T.V. is governed by a board of directors consisting of Nicky Cruz, Larry Pearson and himself. The corporation is receiving financial support the form of loans from Trinity Broadcasting Network, Inc. and proposes to broadcast Trinity's programs. The corporation is in the process of constructing four stations during the next six months.

The boards discussed the need to provide those who inquire with a summarized financial statement. It was determined that each station should be provided with its own summarized financial statement for review by members of the public who request same.

Revisions and additions to the corporate policy manual were considered and reviewed. The changes include Section I - Company Organization; Section II - Employee Orientation and Classification; Section III - Company Policies and Benefits; Revised Supplement I For Department Heads; Revised Supplement II for all manuals; Revised Alphabetical Index; and Revised Table of Contents.

Those present then discussed recommendations from stations managers for improving operations.

The meeting then adjourned.

Praise The Lord

VOL. XIV NO. IV

TRINITY BROADCASTING NETWORK

APRIL 1986

GREENSBORO/WINSTON-SALEM GRANTED

Praise the Lord! Another great **VICTORY!** On February 24, 1986 the FCC granted the transfer of control for Channel 61 which covers the Greensboro/Winston-Salem/High Point area of North Carolina.

This is **FULL POWER STATION NUMBER NINE!** If we add the 26 low and medium stations we have with the approximately 450 cable TV stations that means 485 plus stations carrying TBN, 24-hours a day! Praise the Lord!

Now we wait for FCC approval on Canton/Akron, Ohio, Bloomington/Indianapolis, plus one other **MAJOR** American City which I cannot mention just yet. Besides all this—we are building *ten* more low power stations, *four* more high power affiliated stations and *two* more full power educational stations!

Partners, we will pass the grand total of 500 stations this year of 1986 if Jesus tarries! And the best news of all, we are paying for these stations as we build them. Thanks be to God and to you my faithful partners who are taking back stolen property, capturing the wealth of this world and helping us build the Kingdom of God.

But now, we move into awesome spiritual warfare. We are fully committed to projects totalling nearly 20 million dollars over the next 12 to 18 months—**IMPOSSIBLE?** In the natural some would say yes—**But not with God!** Oh the urgency that burns in my soul. Let me tell you why. First of all the glorious signs of Jesus coming grow clearer every day. Even a blind man would have to see it. Jesus talked about "Distress of nations, wars, famine, pestilence, earthquakes"... plus many more signs in Matthew 24 and Luke 21.

But beyond these glorious truths another urgency drives us on to get these stations built and on the air. Most of you know that just a few weeks ago we signed on another medium power station in Salina, Kansas. Channel 44 is already bearing precious fruit. A few nights ago on live PTL Jan handed me several white "salvation" slips. I began to read, new souls born into the Family of God from Miami, Seattle, New York... and then from **SALINA, KANSAS**—a young man, for the very first time, calling in to confess Jesus as Savior! Oh the joy that exploded in my soul! Already from this small mid-American City, new souls coming to Jesus! Partners, if only the Lincoln, Nebraska station were on tonight—if it were I know we would be reading new names written down in heaven. But we **HAVE TO BUILD IT!** That will take several more months—and I always wonder... How many will we miss reaching? How many will go out into eternity **BEFORE** Lincoln goes on the air?

Partners, here is where **YOU** mean everything to Jan and me. Here is where Jesus Himself is counting on you! Did you know that **YOU ARE JUST AS IMPORTANT** to God as Billy Graham, Oral Roberts, Jimmy Swaggart or any of God's great warriors? Here is what God says:

How true it is that a servant is not greater than His Master. Nor is the messenger more important than the one who sends him. (John 13:16 LB)

This means you and I can share equally with God's great messengers because—**WE ARE SENDING THEM!** Grandma, your ministry is not over—it is just **BEGINNING!** Young person, you do not have to wait to join this battle! Business man, homemaker, you are needed, just as much as any of God's great messengers. Praise God, I want you to take hold of this and quit believing the lies of the devil that you are not important or necessary in this last great battle!

GOD NEEDS YOU!—and Jan and I need you to do three important things:

1. Be a witness wherever you are. You will reach many that Billy Graham will never reach. You will reach many that even Christian TV will not reach. Be bold—Tell them Jesus loves them and died for them. Give them a Bible. This past Christmas, Jan and I gave the Efrem Zimbalist Bible tapes to every neighbor on our block. Many thank you notes are coming back with wonderful results. Maybe all you can do is speak a word or hand out a tract. I will never forget the testimony of the famous singer with the "Christy Minstrels," Barry McGuire: Barry was walking out of a night club on the Sunset Strip in Hollywood and bumped into Arthur Blessitt who had handcuffed himself to a light pole because the City would not give him a permit to have a Christmas Club in the same area. Barry looked in amazement at this man handcuffed to the light pole. All Arthur had time to say was "Jesus loves you" but that was enough. Barry later told Arthur, "I couldn't get away from those words." Barry's testimony is a powerful one.

2. Pray for your TBN daily. Everyone can do this. Call out the names of neighbors and loved ones. Ask God to save them.

The effectual fervent prayer of a righteous man, availeth much. (James 5:16)

Jan and I need you to be our prayer partners.

3. Take a step of faith and make or renew your pledge to TBN. Many of you are learning the secrets of moving out in faith. Testimonies are pouring in that God really does honor the sincere heart that simply steps out in faith and says... I will pledge \$10 a month or \$1,000 one time or whatever God impresses you to do.

Partners, I'm pleading with you to move out NOW! If Topeka were on tonight, someone would be calling in to receive Jesus. Help me build this station plus about 20 more that we have permits for right NOW! If we don't build them within six months to a year, the permit is cancelled by the FCC! We cannot let this happen.

Your Praise-A-Thon slip is enclosed. Please pray over it before filling it out. Then take a new step of faith or if you are already my partner, a bigger step of faith.

PRAISE-A-THON DATES ARE May 12 thru 16

Begin to pray now for the greatest VICTORY ever! TBN can more than triple our number of stations THIS YEAR OF 1986-IF we will simply do these three simple things:

WILL YOU JOIN JAN AND ME ONE MORE TIME???

Oh, I know you will! Fill out your pledge slip soon and return it to me. We will enter it into the grand PRAISE A THON TOTALS and will send your gifts shortly after the end of May.

God bless you, we will be praying for you and looking for your letter. We love you!

Paul

Praise

The

Lord

TRINITY BROADCASTING NETWORK VOL. XIII NO. XI JUNE 1986

CANTON-AKRON-CLEVELAND!

*May there be shouts of joy when we hear the good news of your victory,
flags flying with Praise to God for all that He has done for you. May He answer all
your prayers! (Psalms 20:5)*

By now you have surely heard the **GOOD NEWS!** Canton, Akron, Cleveland, Ohio has joined our big beautiful TBN Family. **WELCOME!** We love you and are so excited to have CHANNEL 17 beaming this good news 24-hours a day. Partners, there are 12 million plus souls in this great Northeastern Ohio Valley area—we can now reach them with Jesus' love! Praise the Lord! Help Jan and me spread this good news to everyone—the sooner we do, the sooner we will see a stream of precious souls coming to Jesus!

Channel 17 is officially, **FULL POWER STATION NO. 10.** I know it may get a little confusing when you hear us talk of all the TV stations we are buying or building so let me make it clear just where TBN stands and just how far along we are in building this great Christian Television network.

First of all under present FCC rules, one owner (TBN) may hold a maximum of 12 full power stations. Canton/Akron/Cleveland is officially station number 10. We are waiting for FCC approval for Bloomington/Indianapolis and Dallas, Texas. If and when they are granted we will have our full complement of 12! Do we have to quit then? Oh NO!

There is another class of station called **EDUCATIONAL.** We formed another company some years ago called Community Educational Television. We are now qualified and have been granted **TWO** full power educational stations in Harlingen, Texas and Beaumont, Texas. More are planned and the good news is—there is no limitation of 12 on this class of station.

But then there is yet another class of TV station known as **LOW POWER.** These range in power from 100 watts to 1,000 watts. I call the 1,000 watt stations **MEDIUM POWER,** to make the distinction between the two but the FCC classifies them all as **LOW POWER.** At this moment TBN has 27 **LOW POWER** and 5 **MEDIUM POWER** stations **ON THE AIR!** In addition we are building 26 more low and medium power stations and are negotiating for 75-100 more!

But that is not all—Our **Satellite Station** now feeds over 450 Cable Stations in 42 states, most of them 24-hours a day! Soon, **DBS (DIRECT BROADCASTING SATELLITE)** will send TBN direct to small backyard receiving dishes creating yet another way to get Christian TV into the homes of America! Don't forget that even now nearly 2 million homes have the large backyard receiving dishes all over the North American continent.

But there is more—Glory be to God we will not rest until this **WORLD** is covered with Christian Television. **FOREIGN STATIONS** are opening up around the world! Nevis is **ON THE AIR** covering the Northern Caribbean, Guatemala is **ON THE AIR,** three stations are **ON THE AIR** in Northern Italy, and South Africa will be **ON THE AIR** later this year! In addition, **HONDURAS** has granted a permit, **GRENADA** is coming, and **EL SALVADOR** is coming! Nora Lam is producing **CHINESE PTL** for **TAIWAN NOW!** and getting ready for **MAINLAND CHINA TV! GLORY!**

Some day, PRAISE GOD, I know we will do **THIS** together—with 3 orbiting satellites that are already in place, we can literally **COVER PLANET EARTH** with **JESUS!!!** Isaiah saw this centuries ago when he wrote

And the glory of the Lord shall be revealed, and all flesh shall see it together. (Isaiah 40:5)

Beloved Partners, it all means **ONE THING**: **"JESUS CHRIST IS COMING BACK TO EARTH"** That grand old song went on to say...:

Satan will be bound a thousand years, we'll have no tempter then, after Jesus has come back to earth again.

Will you help Jan and me and all your great TBN Family to **GET THE JOB DONE**? Sometimes it seems to work 24-hours a day! Our lives are consumed with the growth of this great outreach. Souls are streaming in around the clock! Together we are establishing God's Kingdom here on earth. But **WE NEED YOU**—with your continued love, prayer and support we cannot go forward. Thank you from our hearts for all of you who **HAVE GIVEN** sacrificially to see this great network come into being. But we are not finished yet. A we never will be **UNTIL** the Trumpet of God sounds and we all rise to meet Him in the air!

Jan and I love you and are praying for you and will be looking for your letter this month.

Ch. #17, Canton, Ohio—TBN fully owned and operated Station No. 10, our newest TBN station **ON THE AIR**—24 hours a day. Welcome to our family, Ch. #17. We love you and you're gonna just **LOVE TBN!** Hundreds of beautiful people responded to the 'Canton Call' for 4½ million dollars to buy this beautiful station! Help us keep 24-hour a day Christian TV coming into your home.

Paul

Our new Ch. #61, Greensboro/Winston-Salem, North Carolina station, full power TBN owned and operated station, **ON THE AIR**, 24 hours a day. What a Fabulous JOY to have Dwight & Zonelle Thompson join us for our REVIVALS and to host PRAISE!

Dwight & Zo have been part of our TBN Family for 13 years. We love them to pieces! Dwight is a preaching machine and Zo is his spark plug.

International Living Legend, Dr. Rex Humbard—always blesses us with his masterful sermons! We love and honor this precious man and are so thrilled to have him minister to us on PRAISE and at our Revivals. We are so glad he RE-FIRED instead of RE-TIRED!

Support TBN TODAY—so Revivals and PRAISE can keep coming into your home every single nite! Thank you for your LOVE to Bro. Rex & to TBN!

International Evangelist NICKY CRUZ blessed us out of our socks at our Florida Revival. Nicky is a very special friend to TBN and to Paul & me!

Nicky Cruz serves as a board member of All American TV. They are building a group of affiliated TV stations that will carry TBN programming—100%.

We love you, NICKY! Thanks for being our friend.

LaVerne, Edith, Robby & Terry Tripp—our special LOVE family that is such a VITAL part of TBN! We love them more than we can say for their faithfulness & love.

LaVerne & Edith host almost every Friday nite on LIVE PRAISE and have their own family program every week on TBN at 6:00 pm (PDT), Monday nights.

Thank you for keeping LAVERNE TRIPP FAMILY program coming into your home. Keep it on by supporting their program by sending your LOVE gift to: TBN, P.O. Box A, Santa Ana, CA 92711.

It was such a joy to have James Robison at our recent Oklahoma City and our Southern California Revivals.

Bro. James is very special, very anointed and we are thrilled that he is such a vital part of our TBN Family.

Watch Bro. James every day on your TBN Network at 11:00 am (PDT), Monday thru Friday. And enjoy him every time he comes to the Revivals & tells it like it is! We love you!
